Dear Ms. Janette Ramirez ,

Thank you for contacting us about this issue.

I'm afraid we don't have any child nutritional labels for our products.

If you haven't done so already, please add our site to your favorites and visit us again soon!

Sincerely,

Associate Director, Consumer Relations

I wanted to know if any of your hot dogs have a child nutrition label. Or do any of the hot dogs not contain all of these: by-products, extenders, cereals, binders.

Thank you for your quick response. I did see that after the fact, on the website. I also included a follow up question:

"do any of the hot dogs not contain all of these: by-products, extenders, cereals, binders?"

I am appealing to your company on behalf of 86 child care centers, with 20 to 100 children enrolled in each center.

Please let me know.

Thank you,
